

## Beeline roaming-partners

Enjoy your trip in more than 170 countries with Beeline roaming!

The following types of roaming are available depending on a roaming-partner.

**Voice roaming** for postpaid payment system subscribers includes incoming and outgoing calls, as well as SMS. For prepaid payment system subscribers this type of roaming includes incoming calls, as well as incoming and outgoing SMS.

**CAMEL roaming** is provided to prepaid payment system subscribers only. This type of roaming includes incoming and outgoing calls, as well as SMS.

**GPRS roaming** is provided to prepaid and postpaid payment system subscribers and includes 2G internet service as well as sending/receiving MMS.

**3G roaming** is provided to prepaid and postpaid payment system subscribers and includes internet service at 3G network speed.

**4G/LTE roaming** is provided to prepaid and postpaid payment system subscribers and includes internet service at 4G/LTE network speed.
