10.000 onnet minutes can be used only when you are outside the borders of Yerevan city.

Group members are the telephone numbers, provided in the scope of the «Regional 3500» bundled services.

Monthly fee for «Regional 3500» service bundle is AMD 3500 with a duration of 30 days.

Upon availability of enough funds on your balance after 30 days, the monthly fee shall be charged from your account and provision of services shall be automatically extended.

50 GB of high-speed internet, coming with the bundle, shall be provided on the first day of connecting to the bundle

When the high-speed internet capacity is not used fully within 30 days, the remaining balance of the internet shall not be reset to zero and it shall be transferred to the next month

MB-s are transmitted to the next month only in case of package extension.

No voice services (access to incoming or outgoing calls) are available to the subscribers of internet phone numbers

Free extras of additional telephone numbers shall remain available as long as the main telephone number plan remains so

When the service bundle is not re-activated after 60 days (on the 61st day), the contract shall be terminated unilaterally with a fine imposed on the main number.

The customer can terminate the contract during 18 months with no fines implicated therewith.

Upon termination of the contract the device must be returned.

In the event of damage or loss of the "Team" 4G WiFi router, the cost of the device shall be added to the main telephone number and shall be subject to payment.
