If the internet package has expired

You can turn on:

- Internet Packages: [Internet 500 MB](#) , [Giga 1 GB](#), [Giga 5 GB](#), [Giga 10 GB](#), [Giga 15 GB](#).
- [Mega 200](#) or [Mega 500](#) services.

Important! When "Mega" service is activated, it has a higher priority, i.e. after consuming the free "Mega" internet package and in case of main number free service package availability, 1 MB price is 5 AMD until the service is disconnected. In this case TeamTV app Internet traffic is also charged. The MBs provided by the service will be exhausted in parallel with the MB package included in main number service package.

If the Internet balance is less than 8MB, then with the simultaneous generation of more than one Internet session, the remainder of the package will be spent only on the first session, and the rest of the sessions will be billed according to the terms of the tariff plan, that is, at the price of 1MB.

The service package is available to RA citizens.
