Terms

In the case of a zero balance, applications will work if there are enough MBs to generate an Internet session. If the account balance is zero and there is no MB on the Internet balance, Internet access will be blocked.

If the remaining volume of your internet package is 8MB or less, and more than one internet session is used simultaneously, the remaining data will be consumed only by the first session. The internet usage of other concurrent sessions will be charged according to the terms of your tariff plan, i.e., based on the per-MB rate.

Calls to Russia

Free minutes to Beeline mobile network of Russia can be used by dialing the number in the following format: *88* 00 (country code) (telephone number).

When dialing via *88* the call is not tarifficated only to Beeline mobile network in Russia that starts with the following codes:

| Direction | Exit code | Country code | Mobile network code |
|-----------------------|-----------|--------------|---|
| "Beeline" (Russia) | 00 | 7 | 900335-900344, 90205-90207, 90252, 902553-902557, 902559, 903, 90462, 905-906, 90844-90845, 908460-908464, 90896-90899, 909, 95100-95102, 95320-95322, 96, 9786 |
