Terms

If the remaining volume of the internet package is less than or equal to 8MB, and multiple internet sessions are initiated simultaneously, the remaining data will be consumed only by the first session. All other sessions will be charged according to the standard tariff conditions, i.e., based on the per-MB rate.

In case of using mobile Internet of Combo 2 Basic service package on the 31st day, 1 MB will cost 19.9 AMD for Facebook, V Kontakte, Odnoklassniki websites, their mobile applications and also for WhatsApp application.

If upon expiry of 30 days the Subscriber has sufficient amount on his/her balance, monthly fee will be charged from the balance and the service provision will be automatically prolonged for the same period.

You can check the quantity of the used minutes, SMS and megabytes via the command *113#.

Calls to Russia

Free minutes to Beeline mobile network of Russia can be used by dialing the number in the following format: *88* 00 (country code) (telephone number) or direct dialing.

When dialing via *88* or direct dialing the call is not tariffed only to Team mobile network in Russia that starts with the following codes:

Direction	Exit code	Country code	Mobile network code
"Beeline" (Russia)	00	7	900335-900344, 90205-90207, 90252, 902553-902557, 902559, 903, 90462, 905-906, 90844-90845, 908460-908464, 90896-90899, 909, 95100-95102, 95320-95322, 96, 9786

In case you have not pay for the service package Combo 2 Basic after 30 days from its activation date, free mobile inclusions will be, suspended fixed internet will be no more available until the next payment.

If you have been suspended for 60 days, your service package will be cancelled, including fixed Internet.

To resume the service package please contact the nearest office of Team.

If the internet package has expired

You can turn on:

- Internet Packages: [Giga 1+1֏, Giga 2+1֏, Giga 5+1֏, Giga 10 ֏, Giga 15 ֏](#):
- [Mega 300](#) or [Mega 500](#) services.

Important! When "Mega" service is activated, it has a higher priority, i.e. after consuming the free "Mega" internet package and in case of main number free service package availability, 1 MB price is 5 AMD until the service is disconnected. In this case TeamTV app Internet traffic is also charged. The MBs provided by the service will be exhausted in parallel with the MB package included in main number service package.

If the remaining balance of activated Internet package is less than 1MB and you simultaneously generate more than one internet session, in this case the remaining balance of the internet package will be used only for the first Internet session, all the other sessions will be charged in accordance with your Tariff Plan conditions.

The service package is available to RA citizens.

TeamTV

With "COMBO 2 Basic" tariff plan 20 channels is provided in the [TeamTV](#) application.

For new subscribers, the service of free TeamTV channels is automatically activated.

In order to use the service of free TeamTV channels, current subscribers must dial *818# to receive their login and password.

In case of losing login or password dial *812#.

TeamTV mobile application does not consume internet megabytes and is available all over the country.

Using TeamTV without consuming megabytes means that upon enabling Be Free tariff plan, the megabytes included in the package shall not be used while watching TeamTV in 3G or 4G (LTE) mobile networks and no additional fees shall be charged from your balance.

TeamTV application is available on all smartphones and tabs with operating systems iOS 14.0 and Android 6.0 and above. Broadcasting is conducted by “TEAM” CSJC.
