Terms

If the remaining balance of activated Internet package is less than 1MB and you simultaneously generate more than one internet session, in this case the remaining balance of the internet package will be used only for the first Internet session, all the other sessions will be charged in accordance with your Tariff Plan conditions.

If you have been suspended for 60 days, your service package will be cancelled, including fixed Internet.

To resume the service package please contact the nearest office of Team. TeamTV mobile application does not consume internet megabytes and is available all over the country.

Calls to Russia

Free minutes to Beeline mobile network of Russia can be used by dialing the number in the following format: *88* 00 (country code) (telephone number).

When dialing via *88* the call is not tariffed only to Beeline mobile network in Russia that starts with the following codes:

Direction	Exit code	Country code	Mobile network code
"Beeline" (Russia)	00	7	900335-900344, 90205-90207, 90252, 902553-902557, 902559, 903, 90462, 905-906, 90844-90845, 908460-908464, 90896-90899, 909, 95100-95102, 95320-95322, 96, 9786

In case you haven't pay for the service package COMBO after 30 days from its activation date, the service package will be suspended.

If you have been suspended for 60 days, your service package will be cancelled, including fixed Internet.

To resume the service package please contact the nearest office of Team.

If the internet package has expired

You can turn on main phone number:

- Internet Packages: [Giga 1+1 Q.P.](#), [Giga 2+1 Q.P.](#), [Giga 5+1 Q.P.](#), [Giga 10 Q.P.](#), [Giga 15 Q.P.](#)
- [Mega 300+](#) or [Mega 500+](#) services.

Important! When "Mega" service is activated, it has a higher priority, i.e. after consuming the free "Mega" internet package and in case of main number free service package availability, 1 MB price is 5 AMD until the service is disconnected. In this case, TeamTV app Internet traffic is also charged. The MBs provided by the service will be exhausted in parallel with the MB package included in the main number service package.
