Mobile services

- As part of the special offer for postpaid tariff plans on special terms "Be Free Unlimited" and prepaid tariff plans on special terms "Be Free" and new and existing individuals, postpaid COSMO/COMBO subscribers will be able to purchase/connect up to 3 phone numbers to the tariff plans available in the offer in any combination.
- Additional cards will be able to use special tariff plans as long as the subscriber uses COSMO/COMBO POSTPAID TP.
- Calls between the main and additional numbers of the COSMO/COMBO postpaid tariff plan (including to the landline number) do not use the minutes included in the packages.
- To purchase/disable a special TP, it is necessary that the subscriber visits the office with an identity document.
- Special TP can be registered in the name of another person / persons with the consent of the owner of the main number at the conclusion of the agreement, for which it is necessary to approach the office with an identity document.
- Activation of a special TP is carried out according to the subscriber's request. For each TP, the subscriber pays the amount set for the package.
- In case of termination of the main number of the COSMO/COMBO tariff plan, as well as in case of removal of a number subscribed to the COSMO/COMBO+Be Free combined tariff plan from the group, the tariff plan will be switched to the Prepaid "Be Free 3200" tariff plan. The change of the tariff plan will take place at the moment of the main number's termination or removal from the group. And in the case of a postpaid TP on special terms "Be Free Unlimited"-from the 1st day of the calendar month following the termination of the main number of the postpaid TP "Be Free 5000" or the change of TP.
- The tariff plan is provided for 30 days. If You have enough money on Your balance after 30 days, the sum will be charged, and the package will be

provided automatically. If the amount of the balance is less than the package price, then it will be activated and the inclusions will be provided after the balance is topped up by the appropriate amount.

In the event that a request to terminate "COSMO" / "COMBO" services is submitted by an individual holding ownership, co-ownership (possession, management, or usage rights) over the service delivery location, the fixed-line services included in the package shall be disconnected. The mobile number will remain active under the subscriber's name, and the service model will be automatically switched from postpaid to the prepaid "Convenient" tariff plan.
